**Los Angeles, Calif.** – WEBTOON Entertainment Inc., a leading global entertainment company and home to some of the world’s largest storytelling platforms, is partnering with IDW Publishing to bring some of the publisher’s most popular franchises to WEBTOON. The partnership will make WEBTOON’s English-language platform the exclusive digital home of newly reformatted webcomic versions of “Godzilla: Unnatural Disasters,” “Beneath the Trees Where Nobody Sees,” and “They Called Us Enemy.” The first batch of titles from WEBTOON’s IDW slate will launch on April 25, with additional titles to be announced at a later date.

“WEBTOON has become the destination for comics of all kinds, including some of the biggest franchises in entertainment,” said **Yongsoo Kim, Head of Global WEBTOON at WEBTOON Entertainment**. “This partnership with IDW Publishing is an exciting step in expanding our diverse library and connecting more fans with the stories they love in a whole new way.”

“Partnering with WEBTOON to bring a selection of our beloved IDW books to their platform is an exciting step forward in expanding our reach and engaging with a broader audience,” said **David Jonas, CEO & Publisher of IDW Publishing**. “We’re thrilled to work alongside such an innovative platform, and we can’t wait to see how our stories resonate with WEBTOON’s global community. This collaboration is an important part of our mission to bring comics to fans in creative and accessible ways.”

The first titles in WEBTOON’s slate of digital comic adaptations with IDW Publishing include:

- **Godzilla: Unnatural Disaster** – The three-part saga featuring Godzilla’s iconic rogues gallery, epic kaiju battles, and a thrilling adventure spanning different time periods - including a trip to the underworld.
- **Beneath the Trees Where Nobody Sees** – A dark and twisted tale about Samantha, a small-town bear who lives a double life. By day, she’s the helpful hardware store owner, and by night, she’s a serial killer.
- **They Called Us Enemy** – The graphic memoir follows actor George Takei as he revisits his haunting childhood in American concentration camps during World War II in a gripping tale of courage, country, loyalty, and love.

Some of the most exciting names in comics and pop culture have worked with WEBTOON to bring their stories to webcomics. Other recent collaborations include series and projects with DC Comics, Archie Comics, HYBE artists BTS, TXT, and ENHYPEN, Ubisoft, McDonald’s, Duolingo, and many others.
